

## Come and Celebrate with the Greater Huntsville Church

*They devoted themselves to the apostles' teaching, to the fellowship, to the breaking of bread, and to prayer. Everyone was filled with awe, and many wonders and signs were being performed through the apostles. Now all the believers were together and held all things in common. (Acts 2:42-44 CSB)*

The Greater Huntsville Church is excited to invite you and your churches or small groups to worship with us on **Sunday September 17, 2017**. The church has been here in Huntsville for quite sometime, however, we are considering this service a new beginning and a fresh start where our hearts are growing even more passionate and committed to the mission of seeking and saving the lost.

God is moving powerfully in Huntsville. Recently, through the grace of God and the help of campus interns out of the Greater Nashville Church, we have seen two students at the University of Alabama Huntsville become disciples and are giving their hearts to spreading the good news of Jesus on that campus. In addition, we have had a couple move to Huntsville in effort to serve in advancing the Kingdom of God.

We would like to share more good news, worship with you and celebrate what God may have planned for the future of the Rocket City. We can never be completely certain of God's will for our cities, but here in Huntsville we are certain that God is intent on the evangelism of Huntsville, AL as well as growing more united with the Alabama and South East churches.

With that being said, join us in praying that ultimately this service will glorify God. In addition, we will pray that you would leave our city with the Greater Huntsville Church on your hearts and a strong desire to keep our church and city in your prayers.

**Here are a few items to keep in mind:**

- After the worship service there is opportunity for fellowship and lunch at Bridge Street Town Center which is only 6 minutes away. *Please see directions attached.*
- Children's church will be available for children of families traveling with their children.
